The following is an examiner's statement of reasons for allowance: the rejection of claim 5 has been reconsidered. It is noted that applicant claims a body member and cutting member that are relatively movable. It is also stated that the position of the cutting member changes to vary the cutting position of the opener. This feature is not shown nor made obvious by the disclosure of Todd. It is further noted that Todd may not show a slot for the pin that connects the button to the cutting member.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Douglas D. Watts whose telephone number is (703) 308-0153. The examiner can normally be reached on Mon.-Thurs..
